

## **Assembly Technician**

Singer Vehicle Design – Sun Valley, CA

### **Job Description:**

Singer Vehicle Design is looking for talented and motivated craftsmen to join our assembly team. You will be working in a team environment, becoming proficient in all aspects of a Singer Classic restoration. You'll need to possess a fine attention to detail and excellent problem solving skills, and still be willing to get dirty and do anything it takes to achieve your daily goals. In our fast-paced, deadline-oriented environment, having a multitude of skills is necessary to overcome the unique challenges associated with a hand built restoration.

### **Role and Responsibilities:**

- Pre-assemble components necessary for installation on vehicle
- Work with a specified team to meet your assembly deadlines
- Become proficient in the various aspects of the assembly process
- Diagnose and validate function and safety of the vehicle
- Verify fit and finish of assembled vehicle

### **Job Requirements:**

- Must own tools
- High school diploma or equivalent
- Valid California drivers license
- 2+ years relevant work experience
- Experience working on customer vehicles
- Basic industry equipment training
- Automotive schooling or factory training a plus
- Previous mechanical experience in the automotive industry or related field
- Positive attitude
- Excellent verbal communication
- Professional clean appearance
- Able to prioritize multiple tasks and work in a fast-paced environment
- An ability to function well as part of a team

**Physical and Environmental Requirements:**

- Activities requiring handling and grasping with the hands when performing repairs or maintenance of equipment by utilizing hand tools, power tools, air tools, nuts, bolts, electronic controls, and other small parts
- Occasional use of foot/feet to operate foot pedal on equipment to test operation
- Frequent lifting up to 25 lbs., occasional lifting up to 50 lbs., and infrequent lifting up to 75 lbs.
- Ability to walk and stand on concrete and uneven surfaces for at least 4 hours per day
- Ability to bend, kneel and work with arms raised for prolonged periods of time
- Ability to climb over and into equipment several times per day
- Exposure to bright lights, extreme temperatures, loud noise, dust, gas, and/or fumes

**Skills:**

- Attention to detail
- Problem solving
- Craftsman
- Follow directions
- Meet deadlines
- Mechanical comprehension

**Additional Skills a plus:**

- Tig welding
- Machining
- Interior installation
- Window installation
- Body and paint shop
- Metal fabrication

**Attributes:**

- Follows directions
- Self motivated
- Team player
- Organized
- Honest work ethics
