

Electronics Technician

Singer Vehicle Design – Sun Valley, CA

JOB TITLE: Electronics Technician

Position requires an experienced individual to provide electrical diagnostic and service support to the Production, Engineering and After Sales departments. The desired candidate is to be an effective communicator with the ability to multitask, follow work instruction, be receptive to training and thrive in a team-oriented collaborative environment while also having the consistency and competency to work successfully with minimal supervision.

Core Requirements:

- High school graduate or equivalent, minimum (2) years work experience in the automotive field
- General knowledge of automotive mechanics and electronics
- Proficient in reading and interpretation of manuals, wiring diagrams, design specifications and blueprints
- Detail oriented, organized, and an effective communicator

Specific Functions:

- Perform electronics harness routing and modifications
- Building sub-harnesses, pigtails, and terminations for various automotive components
- Perform detailed diagnostics of vehicle parts and components to discover electrical issues
- Pre-assembly testing of vehicle electrical components
- Occasional offsite support of other Singer locations required
- Familiarity with Porsche and/or other German vehicles highly desired
- Knowledge of motorsport electronics preferred
- Mil-spec/aerospace wiring knowledge preferred

Overall Work Characteristics:

- Ability to work in a shop environment
- Ensure work area is always clean and safe
- Team player who takes direction and instructions
- Able to work 40+ hours per week
- Must be a detail-oriented person with a “can do” positive attitude
- Must possess excellent written and verbal communication skills, expressing ideas clearly and actively listening to thoughts and ideas of others

IMPORTANT NOTICE:

This position is not limited to those duties in the job description. Duties and responsibilities can be changed, expanded, reduced, or deleted to meet the business needs of Singer Vehicle Design. The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

AAP/EEO Statement: Singer Vehicle Design (SVD) values a diverse workforce and as an Equal Opportunity Employer, SVD does not discriminate on the basis of race, creed, color, national origin, gender, religion, age, sexual orientation, disability, marital status, veteran status, or any other status legally protected by Federal, State, or Local law.
