

Manufacturing Engineering Intern Singer Vehicle Design – Sun Valley

About Us:

Since 2008, boutique restoration house Singer Vehicle Design, based in Sun Valley, California, has been sharing its obsession to celebrate the Porsche 911 – and with more than 100 commissions globally delivered to date, that obsession has been mastered through the craftsmanship of its artisan team and the ability to envision its clients’ desires to reimagine the ultimate bespoke air-cooled 911. Through the highest levels of creativity, performance, engineering and technology – and now, partnerships with iconic and globally recognized organizations like Williams Advanced Engineering -- Singer has become THE symbol of why “everything is important.”

JOB TITLE: Manufacturing Engineering Intern

Singer is looking for Manufacturing Engineering Interns. Our Manufacturing Interns will work directly with technicians, fabricators, production leadership and engineers to develop and improve production processes for Singer vehicles. **This internship position in our Sun Valley office.**

Core Requirements:

- Develop and document build flow and create process documentation
- Develop lean product-based work centers utilizing 5S methodology
- Conceptualize, design & implement tooling, fixtures and jigs to improve quality and efficiency
- Perform time studies to create capacity models, establish metrics, and turn data into process improvements

Specific Functions:

- Must be currently enrolled at an accredited four-year university or college, or no more than 12 months post-graduation
- Junior or Senior standing working towards a bachelor’s degree in manufacturing, mechanical, electrical, Industrial Engineering or related field
- GPA of 3.5 or higher

Preferred Qualifications:

- Intermediate skill level using Microsoft Office (Word, Excel, PowerPoint, Outlook)

- Hands-on experience through engineering project teams, lab research, or through a prior relevant internship or work experience
- Sketchup Experience preferred
- SolidWorks experience preferred
- Strong interpersonal skills and ability to work effectively in a team environment, accomplishing tasks with limited resources at a rapid pace

IMPORTANT NOTICE:

This position is not limited to those duties in the job description. Duties and responsibilities can be changed, expanded, reduced, or deleted to meet the business needs of Singer Vehicle Design. The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.
