

After Sales/ Service Technician
Singer Vehicle Design – Los Angeles

About Us:

Since 2009, boutique restoration house, Singer Vehicle Design, based in Sun Valley, California, has been sharing its obsession to celebrate the Porsche 911 – and with more than 100 commissions globally delivered to date, that obsession has been mastered through the craftsmanship of its artisan team and the ability to envision its clients' desires to reimagine the ultimate bespoke air-cooled 911. Through the highest levels of creativity, performance, engineering and technology – and now, partnerships with iconic and globally recognized organizations like Williams Advanced Engineering -- Singer has become THE symbol of why “everything is important.”

This full-time position, located in our Los Angeles office, includes competitive salary and benefits.

JOB TITLE: After Sales/ Service Technician

Singer Vehicle Design is looking for Service Technicians for our California based business. As an After Sales / Service Technician, you will be responsible for repairing and servicing Singer Porsche vehicles only.

Core Requirements:

- Porsche experience preferred but not necessary. Formal automotive training required.
- Ability to be on your feet for long periods of time.
- Valid CA driver's license & clean record.
- Knowledge of shop equipment
- Strong mechanical aptitude and troubleshooting skills
- Ability to thrive in a fast-paced environment
- High attention to detail
- Strong organizational skills with the ability to prioritize effectively and efficiently
- Excellent verbal and written communication abilities
- Team oriented, strong ability to multi-task and work in a fast-paced environment and to multiple deadlines
- 2+ years of relevant work experience
- Able to work safely around a vehicle
- Able to start at an early schedule and work overtime when needed

- Occasional lifting up to 25 lbs., infrequent lifting up to 50 lbs.

Specific Functions:

- Diagnose customer concerns per manufacturers specs & guidelines.
- Document case of failure & correction to satisfy customers understanding
- Use diagnostic tools to test vehicle components
- Perform Porsche/Singer vehicle maintenance services as specified
- Perform thorough inspection of customer's vehicle, referring all needed repairs and preventive maintenance to Service Advisor
- Perform requested services to the vehicle while looking for other items which may need repair
- Assembly of components necessary for installation on vehicles, such as assembling 3-piece wheels, mounting and balancing tires, assembling door panels, etc.
- Perform quality inspections prior to returning the vehicle to the customer
- Work in a cross functional team environment as a strong team player and demonstrate ability to work with other functional groups to achieve company-wide goals.

Preferred Qualifications:

- Technical training in automotive
- ASE certification preferred
- Prior experience in rapid growth environment
